*Journey to Easter* began in Lent. This has been a special time of preparation for those seeking Holy Baptism or Affirmation of Baptism. Through these events, people become new members, but that is only secondary to the essentials. In this process, people go deep in learning, prayer, and in building relationships with others in the congregation. Each person is accompanied by a sponsor through this process and as a congregation we pray for the candidates and their sponsors. Holy Baptism and reception of members will take place at the Easter Vigil.
