## *Pastor's Page — A New Year*

New Year's Day always takes place in the middle of Christmas, pretty much halfway through the twelve days. I find this to be so appropriate because Christmas is really about God doing a new thing.

In the ancient church, the Feast of the Epiphany originally celebrated three events: the birth of Christ, the Baptism of Christ, and the miracle of Christ turning water into wine at the wedding in Cana. All three were celebrated in one feast and, over time, they were separated. Now, Jesus' baptism is the first Sunday following Epiphany and the miracle at Cana shows up in the lectionary once every three years on the Sunday following the celebration of Jesus' baptism.

Whether they are celebrated in one fell swoop or not, all of these events are epiphanies. They reveal the actions of God who brings about newness.

The Kingdom of God has broken into our troubled, sinful, broken world in the person of Jesus. God comes to us deeply in the flesh in Jesus' birth, his baptism where Jesus is anointed by the Spirit to begin his ministry, and at the wedding in Cana where the transformation of water into wine is nothing less than a sign of God's ability to transform our lives.

God did a new thing.

God is doing a new thing.

It is common to assume that since all of these epiphanies took place in the past that they reside there, but the newness God brings is ever present and leads us into a future filled with hope.

Sometimes a brand new idea or an event that alters one's life will find a person saying, "I had an epiphany!" Just so, epiphanies are fresh revelations that often enlighten us or lead us to change our lives in ways consonant with the love of God.

This is what we pray for when we ask "thy kingdom come, thy will be done, on earth as it is in heaven." This is our prayer at the Eucharistic table when we pray for the Holy Spirit to transform the community who shares bread and cup that we might be the body of Christ for the world. This is our prayer in so many ways – that God will continue to bring newness to a worn out world.

This is the good news we need to hear as we release the past and embark upon a new year with Jesus, one another, and our neighbors.

Happy New Year!

*Pastor Hansen*

# PRESIDENT'S REPORT

Happy New Year!

As we say farewell to 2025, I find myself reflecting on the growth our congregation experienced over the past year. My hope was that we would settle into our processes and continue building on the momentum from the previous year, and I believe we did just that. We welcomed and confirmed new members at our Mid-Year Meeting, increased pledges and planned giving through the Growing in Giving campaign, and saw congregation members actively involved in teaching a series of Adult Formation classes. Our coffee fellowship time following worship has also become a meaningful space for connection, conversation, and refreshment. Thank you to everyone who faithfully supports and hosts coffee fellowship each week.

Looking ahead, our Annual Meeting 2026 is scheduled for Sunday, January 25, 2026, immediately following the 10:30 a.m. liturgy. Additional details will be shared in the weekly bulletins in the coming weeks. The Annual Report for the year 2025 is expected to be published the week before the meeting so that members may review it in advance.

An overdue but exciting item for distribution will be printed copies of our revised FLCWS Constitution, whose final changes were ratified by a second vote in special session prior to last year's Annual Meeting 2025. We hope to provide paper copies at this year's meeting, and digital versions will be available upon request.

As a reminder, we are also in the process of filling several important Church Council positions that will help guide our leadership over the next four years. My term as President will conclude the day after the Annual Meeting, and the Vice President position

remains vacant. At the Annual Meeting, we will be electing candidates for both of these roles, along with multiple general Council member positions. There is still time to meet with me if you are interested in learning more about what these roles involve.

As a next step, following the Church Council retreat held on November 22nd, the Council will be focusing on one particular exercise: conducting interviews with congregation members. Council members will be reaching out in the coming weeks to schedule and hold these conversations. The purpose of these interviews is to get to know one another on a deeper level and to help the Council better understand how to serve the needs of our congregation.

Thank you to all who generously contributed to the Advent Giving Campaign, which concluded at the end of Advent on December 21st. This year's beneficiary was Hospitality House, a women's shelter at Lake Burien. I also extend my gratitude to those who made additional year-end contributions.

I hope everyone had a joyous Christmas season. Thank you for the relationships we share, the generosity shown, and the many blessings within our church community. May we continue to grow in steadfast faith and strengthen our financial support for the church's future.

# STEWARDSHIP

New Year stewardship involves intentionally using your God-given gifts (time, talents, treasure) for His glory, often through New Year's resolutions focused on prayer, family, health, finances, and service, viewing life as a sacred trust to be managed wisely for faith, purpose, and helping others, rather than just personal improvement. It's a holistic commitment to a life of gratitude and service, integrating faith into everyday choices.

## *Key Areas for New Year Stewardship*

1. Prayer: Strengthen your relationship with God through daily, intentional prayer.
2. Time: Be present with family, volunteer, and balance work, rest, and service.
3. Talents: Use your unique abilities to serve others and glorify God.
4. Treasure: Manage finances responsibly, budget wisely, save, and give generously (tithing).
5. Health: Care for your body with healthy eating, exercise, and checkups.
6. Possessions: Practice mindful consumption, owning less and sharing more.

## *How to Apply Stewardship in the New Year*

1. Reflect & Assess: Look back at the past year to see how you used your gifts, identifying areas for growth.
2. Set Intentional Goals: Create resolutions that align with your faith and God's purposes, not just personal desires.
3. Commit to a Lifestyle: See stewardship as an ongoing way of life, not a one-time fix, making consistent, purposeful choices.
4. Pray for Guidance: Ask for humility, courage, and wisdom to live faithfully and serve others.
5. Seek Accountability: Find a mentor, priest, or fellow believer to help you stay on track.

By applying a stewardship lens, your New Year's resolutions become sacred commitments, transforming personal goals into acts of worship and deeper faith.

# 50th Anniversary Noack Organ Concert Series

September 2026 marks the 50th anniversary of the gallery Noack organ. To mark this important event, 4 concerts are planned from April 2026 to February 2027. It will also honor Andrew King's work at FLCWS.

Back in 1970 the existing organ was not repairable. In October of 1970 an Organ Committee was formed to determine what type of organ would be financially and artistically practical for the congregation to invest in. Andy was hired in August of 1970, and was immediately in the middle of the process of researching a new organ. Nearly 20 organ builders had been contacted by the Committee. After studying many proposals, the Organ Committee unanimously recommended the Noack Organ Company of Georgetown, Massachusetts. The company owner, Fritz Noack, had apprenticed with some of Europe's finest organ builders before coming to the United States to start his own organ building career. The Gallery organ, Noack #83 takes inspiration from the great 17th and 18th century organs of Germany and France, but in the words of the late builder, the instrument "admires old organs" rather than copies them.

The first program will be on Sunday, **April 19, 2026** at 7 pm. Nathan Laube, Associate Professor of Organ at the Eastman School of Music in Rochester New York and International Consultant in Organ Studies at the Royal Birmingham Conservatoire in the United Kingdom, is one of the world's elite organ performers. His extensive international recital career takes him continually to major concert venues and festivals around the world. We are delighted that he will play the first recital of our series.

On Sunday, **September 27, 2026**, the second concert in the series, will include a Concerto for Keyboard in d minor, BWV 1052, by J. S. Bach performed by our organist/choirmaster Dana Robinson and joined by a chamber group of period instruments led by Tekla Cunningham of the Seattle Bach Festival. Also on that program will be selections for two organs. Paul Tegels, organist/choirmaster at Christ Church, Tacoma, and Associate Professor Emeritus of Organ at Pacific Lutheran University.

The third concert in the series will be played by Michael Kleinschmidt, who is Canon for Cathedral Music at St. Mark's Episcopal Cathedral here in Seattle. Before coming to St. Mark's, he served as Canon for Cathedral Music at Trinity Cathedral in Portland, Oregon. He holds degrees from Eastman School of Music and Oberlin College Conservatory of Music. He has played recitals across the world, has a keen appreciation for the ministry of music for children, and serves on the faculty of the Royal School of Church Music summer courses. This concert will be on All Saints' Sunday, **November 1, 2026**.

Our fourth and final concert will be on Sunday **February 8, 2027**. The recitalist is Anne Laver, Associate Professor of Organ and University Organist at Syracuse University's Setnor School of Music. She has performed in Europe, Latin America, Africa, and in the United States. Anne is often a featured artist at conventions of the American Guild of Organists, the Organ Historical Society, the Westfield Center for Historical Keyboard Studies, and the Goteborg International Organ Academy in Sweden. In 2010 she was awarded 2nd prize in the AGO National Young Artist Competition in Organ Performance.

Mark your calendar. These are going to be outstanding programs. All extremely talented artists, yet all very different. This will give us all a marvelous experience of the diversity of the gallery Noack organ.
